

Registration and Payment

All participants should register on-line before June 30, 2008. Payment by bank transfer is allowed until July 31. Exceptionally, the organizing committee will permit the payment of the registration fees in cash at the conference desk during the evening of September 15 and the morning of September 16.

Important Dates

Deadline for abstract submission	May 15, 2008
Deadline notification of acceptance	June 15, 2008
Deadline registration	June 30, 2008
Deadline for Proceedings' submission	October 30, 2008

Conference Fee

	Before June 30, 2008	After June 30, 2008
Regular Conference	250 €	300 €
Accompanying	70 €	70 €

The regular conference fee includes: book of abstracts, proceedings, coffee breaks, lunches, city tour, conference dinner.

The accompanying person fee includes: city tour, conference dinner.

Conference on Boundary Value Problems Mathematical Models in Engineering, Biology and Medicine

Santiago de Compostela, Spain
September 16-19, 2008

BVP
2008

Plenary Lectures

Ravi P. Agarwal
Pavel Drábek
Jaume Llibre
Jean Mawhin

General Information

The conference will be held at the Faculty of Mathematics of the University of Santiago de Compostela under the auspices of the International Federation of Non-linear Analysts. The official language is English.

Scope

The topics of the meeting cover theory of differential and difference equations in a broad sense, with special attention to nonlinear and singular phenomena arising in the Mathematical models that appear in Engineering, Biology and Medicine.

Scientific Committee

- Ravi P. Agarwal (Florida Institute of Technology, U. S. A.).
- Lansun Chen (Sinica Academy, P. R. China).
- Pavel Drábek (University of West Bohemia, Czech Republic).
- K. Gopalsamy (Flinders University of South Australia, Australia).
- V. Lakshmikantham (Florida Institute of Technology, U. S. A.).
- Jaume Llibre (Universitat Autònoma de Barcelona, Spain).
- Jean Mawhin (Université Catholique de Louvain, Belgium).
- Donal O'Regan (National University of Ireland, Ireland).
- Rafael Ortega (Universidad de Granada, Spain).
- Jeffrey R. L. Webb (University of Glasgow, United Kingdom).

Organizing Committee

- Juan J. Nieto (USC, Spain), Chairman.
- Alberto Cabada (USC, Spain), Vice-chairman.
- Eduardo Liz (Universidade de Vigo, Spain), Coordinator.
- Ignacio Bajo (Universidade de Vigo, Spain).
- J. Ángel Cid (Universidad de Jaén, Spain).
- Juan B. Ferreira (USC, Spain).
- Daniel Franco (UNED, Spain).
- Victoria Otero-Espinar (USC, Spain).
- Rodrigo L. Pouso (USC, Spain).
- Gerardo Rodríguez-López (USC, Spain).
- Rosana Rodríguez-López (USC, Spain).

Structure of the Conference

The scientific program of the conference consists of:

Plenary Lectures

R. P. Agarwal, P. Drábek, J. Llibre, J. Mawhin.

Invited Lectures

J. M. Almira, J. Andres, M. Benchohra, D. Bonheure, J. Campos, J. Chu, C. T. Cremins, J. Diblík, A. Domoshnitsky, T. Faria, M. Frigon, A. Gasull, M. R. Grossinho, I. Györi, F. Hartung, S. Ibáñez, G. Infante, P. Jebelean, V. Jiménez, T. Krisztin, V. Mañosa, F. Minhós, P. Omari, R. Ortega, J. Perán, M. Pituk, R. Precup, I. Rachůnková, R. Roque, F. Sadyrbaev, L. Sanchez, S. Staněk, S. Stević, S. Tersian, C. Tisdell, J. Tomeček, P. Torres, S. Trofimchuk, M. Tvrđý, J. R. L. Webb, F. Zanolin, M. Zima.

Contributed Talks

They can be submitted for the following topics:

- Ordinary differential equations.
- Partial differential equations.
- Difference equations.
- Dynamical systems.
- Mathematical models.

Proceedings

The proceedings of the conference will be published by the American Institute of Physics. All contributions will be refereed.
