Dear Prof. Isabel Vidal:

Congratulations on the chartering of the ISA Student Section at the University of Santiago de Compostela by the ISA District Board on 12 June 2010. I know that you and your student members have worked hard to achieve this goal. Your charter has been sent to District 12 Vice President, Kevin Dignam for signing. I am confident that he will contact you soon to set a presentation time or notify you that the charter is being mailed to you. Enclosed is a list of your Section's charter members.

As Student Section Advisor, you are the primary contact between your Student Section and the Society. The leadership and guidance of the Student Section Advisor is critical to the development and operation of a Student Section. ISA appreciates your support and active involvement.

I understand that you have excellent support through the District 12 Vice President – Kevin Dignam; however, please contact me if you have any questions or concerns, or if I can assist your Student Section to function more effectively.

Cordially,
