

Class of 2021-2023

Closing Lecture

*Design can pave the way  
to fully programmable  
enzyme catalysts*

10<sup>th</sup>

February  
2023

12.00 h

CiQUS Seminar Room

**Prof. Donald Hilvert**

Lab of Organic Chemistry, ETH Zürich, Switzerland

*This event is part of the "Tutored Training Activities" at the Master in Chemistry at the Interfaces with Biology and Materials Science and it is open to the whole CiQUS community and the rest of the USC members.*
